## **AUTHOR AGREEMENT FORM**

- The Manuscript contains nothing that is unlawful, libelous, or which would, if published, constitute a breach of contract or of confidence or of commitment given to secrecy;
- I/we have taken due care to ensure the integrity of the Manuscript. To my/our - and currently accepted scientific - knowledge all statements contained in it purporting to be facts are true and any formula or instruction contained in the article will not, if followed accurately, cause any injury, illness or damage to the user.
- All listed Authors of the manuscript meet the authorship criteria and no other authors meeting the criteria have been omitted.

### **Section – II: Open Access Agreement**

I/we agree to publish our Article under the Creative Commons Attribution 4.0 International Public License as given below. (Please read the full license agreement at: <http://www.edoriumjournals.com> before signing this Agreement):

Anyone is free to:

- Share — copy and redistribute the material in any medium or format
- Adapt — remix, transform, and build upon the material for any purpose, even commercially.
- These freedoms cannot be revoked as long as the license terms are followed.

Under the following terms:

- Attribution — the original author and original publisher must be given appropriate credit; a link to the license must be provided, if any changes are made they must be indicated. The preceding can be done in any reasonable manner, but not in any way that suggests the licensor endorses the licensee or the licensees' use.

No additional restrictions

You may not apply legal terms or technological measures that legally restrict others from doing anything the license permits.

### **Section – III: Rights of Authors and Publishers**

As author(s) of article submitted to the Journal for publication:

- **Author(s) retain (or the employer retains, if applicable) the copyright to the Article author(s) have submitted to the Journal.**
- Author(s) grant to the Journal, an exclusive, worldwide, perpetual, irrevocable, royalty-free license to publish, reproduce, distribute, display and store the Article in all forms, formats and media in which it is now or in the future capable of existence (including without limitation in print, digital and electronic form), throughout the world; to publish the Article in the Journal or any third party repositories; and translate the Article in any language. The Article may be published in whole or in part, alone or in combination with other articles.
- Author(s) agree that the Journal may change the appearance of the Article (layout and format) to ensure consistency and readability.
- Author(s) are free to place the published Article wherever They wish, or permit its use by another party, but in all such cases Author(s) must ensure that if the article (in whole or in part) is made available other than through the Journal, the Journal shall be identified as the original publisher and the Journal citation details of the article shall be listed.
- Author(s) hereby grant the Journal the right to use the Author's/Authors' name, likeness, picture, photograph, image, voice, biography and performance in any way, commercial or otherwise, in connection with the Article or the Video, and the sale, promotion and distribution thereof. Author(s) hereby waive any and all rights they may have, relating to their appearance in the Video or otherwise relating to the Article, under all applicable privacy, likeness, personality or similar laws.
- This Agreement will be valid for the Journal, its Publishers, owners, licensees, assignees and successors in business.
